Office Line is a Perth-based company who have been supplying kindergartens, schools and colleges with quality furniture and fittings since 1988. We can provide everything from a few chairs and desks to a complete classroom, laboratory or performance area fit out.

Our expertise lies in understanding the specialist needs of the education sector. Our team can work with you on site to plan the perfect layout, suggest the best use of your space and then specify the ideal products. We'll then give you a fully-costed proposal and, once approved, source and install your furniture. We stock many popular lines in our warehouse if you need your furniture fast.

As an independent company, we're not limited to one supplier. We're free to choose from a wide selection of high-quality products which means we can always find the most suitable solution at the most competitive price. The furniture we supply always has top marks for environmental performance, strength, durability and ergonomics.

We're also family owned and operated and pride ourselves on offering a personal and professional service to our many clients around the State.
